

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage including your plan's Summary plan description, call the Administrative Office (Wilson-McShane Corp) at 1-800-622-8780. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at www.dol.gov/ebsa/healthreform or call the Administrative Office at 1-800-622-8780 to request a copy.

Important Questions	Answers	Why This Matters:
<p>What is the overall <u>deductible</u>?</p>	<p><u>Network Providers</u> and <u>Out-of-Network Providers</u> combined per calendar year: \$400/individual; \$1,200/family.</p>	<p>Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u>, each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u>.</p>
<p>Are there services covered before you meet your <u>deductible</u>?</p>	<p>Yes. <u>Preventive care</u> performed by <u>network providers</u>, <u>network provider</u> office visits, the first \$300/accident benefit, dental and vision care, and outpatient <u>prescription drugs</u> are covered before you meet your <u>deductible</u>.</p>	<p>This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u>. See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/.</p>
<p>Are there other <u>deductibles</u> for specific services?</p>	<p>Yes, \$100/individual per calendar year for dental <u>plan</u> benefits. There are no other specific <u>deductibles</u>.</p>	<p>You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.</p>
<p>What is the <u>out-of-pocket limit</u> for this <u>plan</u>?</p>	<p>Medical <u>Plan Network Provider</u>: \$5,000/individual; \$10,000/family per calendar year. <u>Out-of-Network Provider</u>: No <u>out-of-pocket limit</u>. Outpatient <u>prescription drugs</u>: \$1,600/individual; \$3,200/family per calendar year.</p>	<p>The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u>, they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.</p>
<p>What is not included in the <u>out-of-pocket limit</u>?</p>	<p>For the Medical <u>Plan</u>: <u>Premiums</u>, <u>balance-billing</u> charges, health care this <u>plan</u> doesn't cover, penalties for failure to obtain <u>preauthorization</u>, dental & vision <u>plan</u> expenses, outpatient retail/mail order drug expenses (which have a separate <u>out-of-pocket limit</u>), treatment for infertility and TMJ syndrome, and <u>out-of-network cost sharing</u> (except an ER visit in case of an emergency or services protected by the No Surprises Act). The <u>prescription drug out-of-pocket limit</u> does not include <u>premiums</u>, <u>balance-billing</u> charges, medical <u>plan</u>, dental <u>plan</u> or vision <u>plan</u> expenses, plus drugs and health care this <u>plan</u> doesn't cover.</p>	<p>Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u>.</p>

Important Questions	Answers	Why This Matters:
Will you pay less if you use a <u>network provider</u> ?	Yes. See www.cignasharedadministration.com or call 1-800-768-4695 for a list of <u>Network Providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.

About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
